

37th CALIFORNIA NEMATOLOGY WORKSHOP

Tuesday, March 29, 2005
University of California, Davis

Department of Nematology

University of California, Davis

Sponsored by

University of California Davis,
Department of Nematology

University of California Riverside,
Department of Nematology

California Department of Food and Agriculture,
Nematology Program

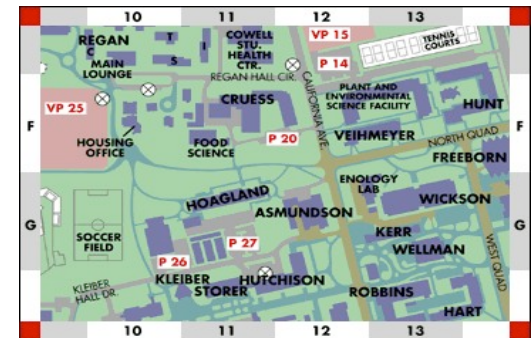

DANR, The University of California, Division of
Agricultural and Natural Resources

You are invited...

to attend and participate in the 37th California Nematology Workshop. This specialized program offers pest management professionals and growers the latest information on nematode problems and solutions.

Who should attend

Those who would benefit from this program include pest control advisors and operators, growers and farmers, retail and wholesale nursery employees, arborists, landscapers, municipal and state employees, parks and recreation personnel and educators and consultants.

From Sacramento: Take Interstate 80 west toward San Francisco. Exit at UC Davis.

From the San Francisco Bay Area: Take Interstate 80 east toward Sacramento. Exit at UC Davis.

From Los Angeles: Take Interstate 5 north toward Sacramento and follow the signs to Interstate 80 west toward San Francisco. Exit at UC Davis.

7 hours PCA credit pending
(includes laws and regulations hours)

Date and time

Tuesday, March 29, 2005

Location

Wellman and Hutchison Halls

Fee

The fee is \$25 per person. Plan to enroll early- space is limited.

Coordinators

Robert Hackney, senior plant nematologist and specialist, CDFEA; associate in the agricultural experiment station, UC Davis

Howard Ferris, professor, Department of Nematology, UC Davis

Becky Westerdahl, associate professor and cooperative extension specialist, Department of Nematology, UC Davis

For more information

Contact Howard Ferris, phone (530) 752.8432 or Robert Hackney, phone (916) 262.1115

Morning Presentations

- 7:00-7:30 Poster Setup- Wellman Hall Lounge
7:30-8:15 Registration- Wellman Hall Lounge
8:15-8:30 Welcome and Program Overview- Wellman 2- Ed Caswell-Chen, Professor of Nematology, Chair Department of Nematology and Associate Dean for Research, UC Davis
8:30-9:15 Nematicur Registration Withdrawal: Challenges and Opportunities
a) Nematicide seed treatments- J. Ole Becker, UC Riverside
b) Nematicur replacements for Turf- Becky B. Westerdahl, UC Davis
c) Nematicur replacements for Grape- Michael V. McKenry, UC Riverside
9:15-9:45 Nematicide Optimization Strategies- John Mueller, Clemson University
9:45-10:05 Break- Posters, Coffee and Juice- Wellman Hall Lounge
10:05-10:35 Understanding Host-plant Resistance- Valerie Williamson- UC Davis
10:35-11:05 Department of Pesticide Regulation: Policy and Direction- Douglas Y. Okumura, DPR
11:05-12:00 New Faces and New Directions in Nematology Presentations by- Graduate Students and Postdoctoral Fellows

Afternoon Presentations

- 1:15-1:30 Registration- Hutchison Hall
1:30-4:00 Four 30 minute rotations with 5 minute changeover- Becky Westerdahl Ringmaster
Rotation 1:
Department of Nematology Laboratory Tour
Each group visits four labs, 5 minutes/lab, Professors, Graduate Students and Postdoctoral Fellows in attendance, overview of research programs.
Rotation 2:
Sampling for nematodes, thresholds and food webs- Howard Ferris- Hutchison Lawn
Rotation 3:
Ring Nematode Systematics, Diagnostics, Damage and Management-102 Hutchison Hall- Paul De Ley and Mike McKenry
Rotation 4:
Nematode and Soil Biological Diversity- 103 Hutchison- Steve Nadler, Jim Baldwin and Bruce Jaffee

Demonstrations

- Nematode sampling
- Nematode diagnostics
- Nematode biology
- Question/answer session with instructors

Enrolling is easy!

By mail complete this form and send it to Dr. Howard Ferris, Department of Nematology, University of California, Davis, CA 95616... **By phone** call (530)752.8432

Here is your three-step enrollment form.

1. **YES!** Please enroll me in the
 37th California Nematology Workshop/ March 29, 2005/ \$25
 NO, I can't enroll at this time, but please add me to the mailing list for future Nematology Workshop program information
2. **Registration Information:**

Name	Social Security Number/ID Number
------	----------------------------------

Job Title

Organization

Address

City

() ()

Daytime telephone Evening telephone

Disclosure of your Social Security Number is voluntary. It is used to maintain complete, accurate transcripts and to eliminate duplicate mailings.

3. Payment Information:

- Enclosed is a check payable to the Regents of the University of California.
- Enclosed is a company purchase order (a complete enrollment form, or all information requested on the enrollment form, must be included with purchase orders).
